Accordingly, the students that are 20 years old and above may register to the PhilHealth Insurance provided that the requirements are submitted completely. To those students who are 20 years old and below shall not be registered instead their parents shall be registered provided that they are the primary beneficiaries. Requirements and other information were comprehensively discussed thru AVP provided by the PhilHealth. Also, benefits of the members were discussed to inform the majority.

On the other hand, Ms. Imperial discussed the E-Konsulta program of PhilHealth. It is emphasized that the members may consult thru online via PhilHealth website. This program was implemented to augment the need of the members in terms of consultation on their medical needs.

After the discussion of important information, queries of students were given chance to be entertained. Different situations and cases were asked to the speakers and clearly answered.

In terms of processing the application, the OSAS committed to help in the collection of registration forms and pertinent documents to fast track the process. Also, Director Olayta said that the students may go to LSPU OSAS Page for more information regarding the insurance orientation.

In order to recognize and show the appreciation, Prof. Rozalle Palacol presented the Certificate of Appreciation to the Resource Speakers followed by the closing statements of Dr. Alberto Castillo.
