Subject: **VIRTUAL CONSULTATIVE MEETING ON THE LSPU MENTAL HEALTH SERVICES POLICY**

Date: 10 November 2021

As compliance to the recommendation of the Board of Regents (BOR) for the final approval of the LSPU Student Handbook, the university crafted a mental health services policy set to be presented in a virtual consultation meeting on November 11, 2021, 2:00PM.

The call for a virtual consultative meeting for the presentation of the said policy is in line with the recommendation of the LSPU Academic Council during its meeting on June 22, 2021 to have the said policy reviewed by the director, chairpersons, and unit heads of the Student Affairs and Services (SAS); the president of Federated Faculty Association; and the presidents of the Student Council.

For your attendance.
